

## SPRING 2023 Session Information

The SPRING SESSION begins **Thursday, February 02, 2023**, and ends on **Thursday May 25, 2023**.

A Parent/Guardian (along with the student) MUST ATTEND a MANDATORY VIRTUAL ZOOM orientation on **Thursday, January 26, 2023 at 6:00 pm**.

**PLAN A-Under current COVID directives dictated by the New York State Department of Education as well as the NYS Motor Vehicle Department, the in-the-car instruction must be accomplished under parental supervision. All parents, therefore, will be emailed a curriculum, training guidance and final completion instructions for their portion of the program.**

**PLAN B-To assist the parents in their portion of the program, this plan is offered to parents and includes 8 lessons (90 minutes) with 2 students in the car each driving 45 minutes. Private lessons are also available. The lessons are provided by the school's in-the-car contractor. These lessons are not officially part of the school-based program and the lessons constitute a separate agreement between the parents and the commercial driving school.**

**Students must meet the 24-hour classroom portion of the program by virtual participation in weekly ZOOM classes.**

**Upon completion of the classroom & the in-the-car instruction accomplished under parental supervision, students will receive a Completion Certificate (MV-285) from the school. This certificate is necessary for scheduling a road test and must be submitted to the DMV road test examiner. Upon successfully passing the road test, coupled with the student's age of 17, a D license (senior license) will be received. The certificate also provides an insurance reduction to students who qualify.**
